

## Specification (Marked)

In the Specification:

Please amend the paragraph on Page 5 beginning with the words “The accompanying Figures . . .” and ending with the words “. . . may be used.” with the following paragraph:

The accompanying Figures figures depict embodiments of the present invention, and features and components thereof. Unless specifically otherwise disclosed or taught, materials for making components of the present invention are selected from appropriate materials such as metal, metallic alloys, natural or synthetic fibers, plastics and the like, and appropriate manufacturing or production methods including casting, extruding, molding and machining may be used.
